George Deskins
Citrus County Mosquito Control District
968 N. Lecanto Hwy.
Lecanto, FL 34461

Dear Mr. George Deskins:

On behalf of the Division of Agricultural Environmental Services within the Florida Department of Agriculture and Consumer Services, we would like to express our sincere appreciation for your assistance and support to mosquito control programs in North Florida over the past two years.

Ms. Caitlin Gill has noted and described the type of guidance your program and personnel have provided to smaller or newly developed programs in the areas of mosquito control technology, surveillance, community outreach, and mosquito management practices. This type of open support has had a prodigious, encouraging impact on those mosquito control programs as well as assisted Ms. Gill in her role as our regional mosquito control support specialist.

Thank you for the part your district has played in contributing to the mosquito control community and aid to the Bureau of Scientific Evaluation and Technical Assistance Mosquito Control Outreach Specialist Team.

Sincerely,

Dr. Davis H. Daiker
Assistant Director of Agricultural Environmental Services
