RELEASE DATE:

August 15th, 2024

[Aerial Mosquito Treatment Notification]

Dateline: [Lecanto, Florida, August 15, 2024] — The Florida Department of Agriculture and consumer services Mosquito Control Incident Response Team in conjunction with Citrus County Mosquito Control District will be conducting aerial mosquito control operations over several portions of Citrus County to reduce the robust mosquito population caused by Hurricane Debby. Weather permitting, the highlighted plots shown on the attached map (the map can be found on citrusmosquito.org, or on Facebook and X @citrusmosquito) will be treated the night of Saturday, August 17, 2024.
